Letter No A6 C 1077/33-34 dated 17th July 1935 from the Deputy Commissioner, Chitaldrug District, to the Director of Health in Mysore, Bangalore

---

I have the honour to state that G Santhoji Rao, Sanitary Inspector, Harihar, first joined service in the Kolar District and he was a permanent Sanitary Inspector of Sidlaghatta Taluk Board when the abolition of the Taluk Board was ordered by Government in November 1926 He was then appointed as Panchayet Inspector in the Revenue Establishment from 1-2-1927 He continued to act as such, till 22-2-1930, when he was appointed as Revenue Inspector where he continued to work till 6-8-1930 He was then appointed as Second Sanitary Inspector, Davanagere Municipality on Rs 50/- where he joined duty on 6-8-1930 The question of entertaining a Second Sanitary Inspector in Davanagere on a permanent basis was under correspondence It was finally sanctioned by Government in their Order No L 508-9/M1 19-32-53 dated 24th July 1934 In the meanwhile, this Sanitary Inspector represented that he might be started on Rs 65/- from 28th March 1933 and the same was submitted to Government for Orders Government have, in declining to sanction the recommendation as being financially inadmissible, directed that one or two advance increments might be given in fixing the initial pay of the Sanitary Inspector after he is permanently absorbed A copy of the Development Secretary's letter in the matter is enclosed herewith for reference Now orders have to be passed on two points viz , (1) his confirmation in the existing vacancy and (2) fixing his initial pay in the grade As regards his confirmation, I have to state that as the vacancy in which he was appointed has since become permanent he might be confirmed in his appointmen

As regards fixing up his initial pay, I have to state as follows -

He was a permanent Sanitary Inspector drawing Rs 51/- in grade Rs 35-2-67-5/2-87 when the Taluk Boards were abolished He was entertained as Panchayet Inspector on Rs 60/- and then as Revenue Inspector on Rs 50/- till he was appointed as Sanitary Inspector on Rs 50/- in the Davanagere Municipality If he had continued as Sanitary Inspector since March 1926 he would have by now drawn Rs 67/- If even after he joined duty at Davanagere, he had drawn his usual increments, he would have got his Rs 57/- on 6th August 1934 He has lost much by not getting his usual increments in due course

In consideration of these facts, Government have said that after his confirmation, he might be given one or two advance increments I therefore recommend that the pay of this Sanitary Inspector might be fixed at Rs 63/- in the new grade Rs 55-4-87 with effect from 6-8-1934 as a special case in view of the facts detailed above The Service Register of the Sanitary Inspector is enclosed herewith for perusal The President of the Harihar Municipality has reported that his work is satisfactory I request that early orders might be passed in the matter

Letter No L 1655/1 1 21-33-103 dated 5th September 1934 from the Secretary to Government, Development Department, to the Deputy Commissioner, Chitaldrug District

---

With reference to correspondence ending with your letter No A6 C 1877/33-34 dated 26th March 1934, recommending that the pay of Mr Santhoji Rao, Sanitary Inspector, Chitaldrug Municipality, may be fixed at Rs 65/- per mensem from 28th March 1933, thereby allowing the period during which he worked as Panchayet Inspector to count for increments in the Sanitary Inspector's grade etc , I am directed to state that the proposal to count the long period of over six years for the purpose of fixing the initial pay of the official when he was subsequently appointed as Sanitary Inspector, after holding several other posts temporarily in the interval, is financially inadmissible and cannot be accepted If any special consideration is deemed necessary, one or two advance increments may be granted in fixing the initial pay, only after the official is absorbed permanently as Sanitary Inspector

The Service Register and other records received with your letter under advertence are herewith returned
